Marion High is growing with its students as it lays the foundation for a new school. This is not only the foundation for the construction of a new building, but it is the foundation for the physical, academic, and social construction of the lives of the students at MHS. The seniors and juniors will enter the first stage of this building in the fall of 1962, while the sophomores and freshmen will attend the "old" MHS building at Nelson and "A" Streets.

The three million dollar structure is based on the plan of a college campus and will adequately accommodate 2200 students when finished. MHS students will improve themselves academically as they take advantage of the new science, math, and language courses offered. Various school functions will be enjoyed by Marion High students and the community at the 26th Street structure. In every way Marion High is growing with its students, physically, academically, and socially.

Physically . . .

MHS Rises To Accommodate Its Pupils

FAMILIAR VIEW — Nelson Street is a familiar scene to MHS students during the year.

Many hours of planning and physical labor have gone into the construction of the first phase of the new Marion High School building which will be opened in September, 1962. This stage, which will contain 34 classrooms, will be attended by about 920 students next fall. It is built on the plan of a college campus and will offer many new classes at its completion.

The ground-breaking, the laying of the cornerstone, and the final completion highlighted the construction of this building. Although many memories will be left behind, new experiences await their unfolding next fall.

NEW MHS RISES — Construction began last spring on the first stage of the new Marion High School building to be attended by students this fall.

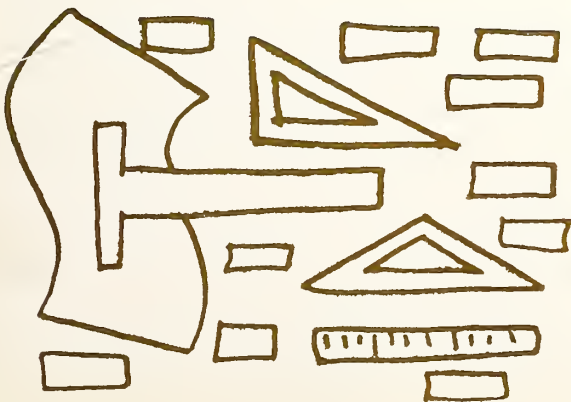

NOT QUITE DONE — The new MHS is slowly taking form and will soon be ready for students to attend classes for the 1963 school year.

OLD MHS — The front doorway of the Nelson and "A" street building will long be remembered by many Marion High students in years to come.

LAY CORNERSTONE — School officials carefully place cornerstone on the new Marion High School building.

Academically . . .

Curriculum Offers New Fields Of Studies

EXPLORATORY TEACHING — Many MHS students take advantage of this new course and enjoy working with children.

MHS is growing academically as it begins to offer many subjects in new and exciting fields. Exploratory teaching helped to train students for a teaching profession. By classroom participation and instruction in public schools, these pupils learned new techniques in the teaching field.

Convocations add a great deal to the academic structure of the lives of MHS students. Various informative convos were presented during the year in order to strengthen our knowledge in these fields.

Next year many additions will be made to the new school in order to improve its academic coverage. A developmental reading laboratory will enable interested students to greatly increase their reading speeds and abilities. A special advanced science program will be opened to students with records of high achievement in this field of study. Three science labs have been included in the first stage of the structure, and four will be added in the later units. These additions will give talented MHS pupils an opportunity to do individual research in various areas of the curriculum offered.

PROUD STUDENTS — Marion High School Honor Society inducts junior and senior students in annual ceremony during a convocation.

BLUE JAYS — Various types of entertainment, such as the Blue Jays singing group, are presented to the students and faculty of MHS during convocations.

NEW LABS — The MHS foreign language department profited from the addition of the new language labs that were added last year.

Socially . . .

Pupils Begin New Activities During Year

PREMIERE—Don Millspaugh presents key of the city to Brenda Lee, portrayed by Sandy Messer.

TALENT SEARCH WINNERS — Sherill Ewbank, accompanied by Joyce Fraker, won the Talent Show in April.

COKE DATE — After many school activities students gather at various local restaurants to enjoy refreshments.

SIDE BY SIDE — One of the acts presented in the 1962 Easter Parade was a comedy version of the song "Side By Side."

MARIONETTES — The world of fantasy was depicted by a group of junior girls known as the Marionettes in the Easter Parade floor show.

Marion High grew socially in many aspects during the 1961-62 school year. The twenty-ninth annual Easter Parade highlighted the year with its traditional activities and customs. The Christmas holidays added beauty to the halls of MHS as the Art Club decorated them in the colors of the season.

New light came to the MHS scene in the fall by the addition of a homecoming. Many students will long remember the hours of work put into Marion's largest parade of floats.

The Booster Club inaugurated a "Hollywood Premiere" as an additional activity during the winter months. A local theater co-operated with the "stars" portrayed by Marion High students to make this one of the most colorful events of the year.

DECORATE TREE — MHS art students busily prepare annual Christmas tree for the school.

QUEEN DEBRA — Her Majesty, Miss Debra Conner reigned over the 1962 Easter Parade at MHS.

The events of a festive "Carnival in Venice" unfolded before the eyes of Her Majesty, Miss Debra Conner and her court at the 1962 Easter Parade. Seated before a large backdrop depicting a scene in Venice and surrounded by gondulas, the Queen and her court watched the performance of a stage show created and presented in their honor. The many musical acts and skits contributed to the beauty of the evening by the color and variety of their uniforms and performances.

Master of Ceremonies Tom Coombs and Mistress of Ceremonies Davida Weiss guided the capacity audience through a typical carnival time in Venice.

"Dance of the Gondolier" followed by "We Open in Venice" began the stage show. Several dance acts were performed, including the modern teenage dance the "twist." The tempo varied from the academy award winning song "Moon River" to the jazz form of "Nutrocker." Comedy, gymnastics, and the traditional boys drill team received hearty applause from the appreciative audience. The Advanced Chorus completed the show by waltzing to the strains of "Venice, My City of Dreams."

Queen Debra, escorted by senior class president Douglas Joyce, led her court in the traditional dance which concluded the evening's festivities.

PRINCESSES — Princess Patsy Stevens and Princess Rebecca Thomas ruled with Queen Debra.

PROM TIME—The junior class spent many hours decorating for the 1961 Junior-Senior Prom.

Queen Sarah Keene reigned at the *Heavenly Mist* Junior-Senior Prom of 1961 as many of the approximately five-hundred people attending danced to the strains of the theme song, "Misty." The coliseum was transformed into a heavenly atmosphere which was completed by the misty effect of dry ice in water. One of the most festive events of the school year, the prom is directed by the juniors with the help of the sophomores in serving and in assisting with the decorations.

One of the three prom queen candidates, Kathy Alderfer, Cheryl Pollen, or Suellen Shinault, reigned at the 1962 prom, *Moonlight Paradise*. The queen was announced prom night, and she was crowned by junior class president, Larry Pressler.

PROM QUEEN CANDIDATES — Suellen Shinault, Cheryl Pollen, and Kathy Alderfer, juniors, vied for the title of "Queen of the 1962 Prom." The results were announced prom night.

Queen Sheryl Stackhouse Rules at Activities

The first homecoming of Marion High School was staged on September 23 at Memorial Field. A queen and her court, a parade, a game, and after-game activities highlighted this memorable day. Members of MHS's 1921, 1931, 1941, 1951, and 1960 football teams were honored in half-time ceremonies.

The day's activities were many and varied as the preparations began many weeks and months in advance. Float ideas and the organization of this festive event began in the fall of 1960 when it was heartily accepted by the student body and the community.

A committee composed of members of the Marion Parent's Athletic Association, faculty members, and students began the skeleton of the day by writing many schools throughout the area regarding the procedure of their homecomings. As the parts were pieced together, MHS's first homecoming began to take shape and to become an event which will be remembered by Marion High School.

HOMECOMING QUEEN — Sheryl Stackhouse reigns over the activities of Marion High's first homecoming.

HOMECOMING COURT — Attendants completing the court for MHS's first homecoming are Jo Bloom, Bonnie Dray, Luann Tade, and Helen Britton.

For Marion High School's First Homecoming

Miss Sheryl Stackhouse reigned as 1961 Homecoming Queen of Marion High School. Serving as Her Majesty's Court were Miss Jo Bloom, Miss Helen Britton, Miss Bonnie Dray, and Miss Luann Tade.

Although the opening events began on Friday before homecoming with a pep session, a snake dance through the downtown area, and a huge bonfire at the coliseum, the activities had just begun for the occasion.

Numerous hours of hard work and planning went into the preparation of the many floats and units seen in the parade, the first official event of the day. A police escort, the queen and her court in convertibles, and 18 other units made this one of the largest parades ever witnessed by the citizens of Marion.

The game played before a crowd of approximately 4,000 people was lost to Logansport by a score of 20-7. But this did not dampen the spirit of the MHS students as many after-game record hops and other activities were enjoyed by all who attended.

GO, FIGHT, WIN! — This is the cry heard from the MHS Booster Club float in the Homecoming parade.

WARM PREPARATION — MHS students participate in a bonfire to build school spirit before the game.

HERE WE COME! — Members of the Ushers Club proudly ride on their float in the MHS Homecoming parade.

STUDY PARTS — Nancy Goebel and Sandy Messer memorize leads in "Amahl" under supervision of Mr. Frerichs, director.

On December 8 and 9, the Marion High School Advanced Chorus transformed the stage into the home of a small crippled child as they presented the one-act musical, "Amahl and the Night Visitors." Many committees and all of the members of the chorus worked hard and practiced long hours to make the presentation a success. The opera was directed by Mr. Kenny Frerichs, advanced chorus instructor, and he was assisted by Shirley Rice, student director, and chorus member.

Marion High students presented a play by Thornton Wilder entitled "Our Town." The drama was unique in that no scenery was used and props were held to a minimum. The play concerned the lives of two families living in Grover's Corners. It was a story which affected the emotions of all who attended, and students and adults alike left the MHS auditorium well satisfied with the play.

To round out Marion High School's dramatic season, students joined to produce the wartime comedy "Teahouse of the August Moon." The play opened on March 23 and further presentations were made on March 24, 30, and 31. The comedy was a delightful story about the confusion which surrounded a captain as he received a Geisha girl as a gift from a well-meaning islander.

MHS Offers English, Many Foreign Languages

EXPRESSION — Speech offers many ways for students to express themselves, both audibly and visibly.

EXPLAINS DIAGRAMS — An English student describes a method of diagramming sentences on the board as a part of classwork.

APPLIES MAKE-UP — Dramatic students learn how to properly apply make-up during class.

To Interested Students

The English department at MHS serves to build its students in many areas, and grammatical excellence is approached through several courses. Grammar is foremost, but other courses include composition, speech, journalism, and literature. Spelling is a part of most of the courses of study, and it aids in enriching the student's vocabulary.

Some students may boast of accomplishments in public speaking, as others see their literary talents recognized in the form of having articles published in the school newspaper.

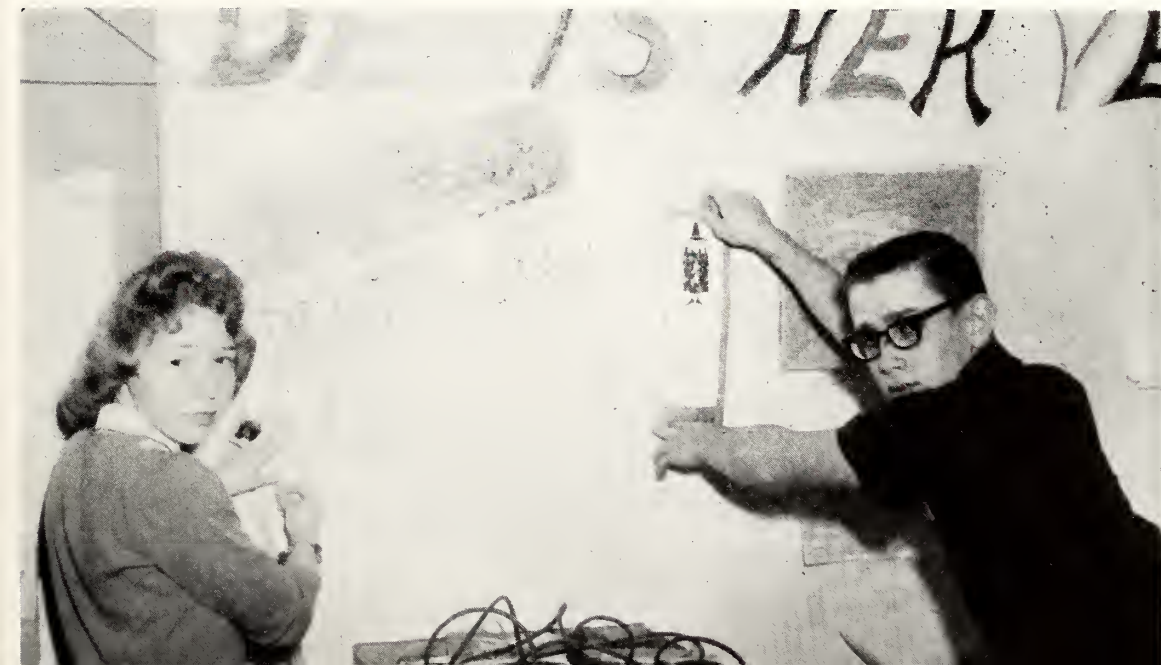

Working toward the same goal, communication, the foreign language department seeks to build onto the education of those students who are attracted to many of the foreign languages offered at MHS.

Through German, French, Spanish, and Latin the students are readied for life with our foreign friends. They study native customs as well as the language of the country. Also, many students find that two years of a foreign language gives them a good foundation for many other subjects in school.

OLD SPAIN — MHS Spanish students don themselves in traditional Spanish costumes.

HOW IS THIS? — MHS German students put up many bulletin boards throughout the year to encourage study of the language both in and out of class.

Students may learn traffic laws, first aid measures, or the correct way to do push-ups in some of the courses taught at MHS. Driver's education is a class which sows a seed of knowledge reaped in the form of a driver who knows how to drive. The course is beneficial in helping prevent many needless traffic accidents in our busy world.

Health and safety teaches such things as care of the body and a partial knowledge of anatomy. It also covers diets, diseases, and many other health facts. The class helps develop young men and women who know something about themselves. Physical education teaches the body rather than the mind, but physical education students do learn sportsmanship and also learn to keep themselves in good physical fitness. Through these courses, students are prepared for many of the everyday, practical problems which they must be able to meet in everyday life.

DRIVER'S TRAINING — Many students take advantage of this course to learn the parts and the correct procedure of handling a car.

Gym, Health Classes Stress Physical Fitness

STEADY NOW — Girl's physical education classes offer various forms of tumbling exercises

that require skill and accuracy as well as a great deal of training.

MHS Social Studies Emphasize Current Events

WAR REPRODUCED — Juniors study the various battles of the Civil War in their U.S. history classes at MHS.

Through social studies, teachers at MHS seek to create a better understanding of the problems man has faced, is facing, and will continue to face. Students study difficulties arising from environment, man's development pattern, and humankind's background. Through the history courses, students are able to learn of man's progress through the ages. World and U.S. history each trace a part of our own heritage through the years.

In the civics course which is offered to seniors, an extensive study is made of the government in this United States. Through its courses Marion High School helps its students grow into strong citizens.

WHAT'S NEW? — Modern Problems student reads current events in the weekly newspaper, *American Observer*.

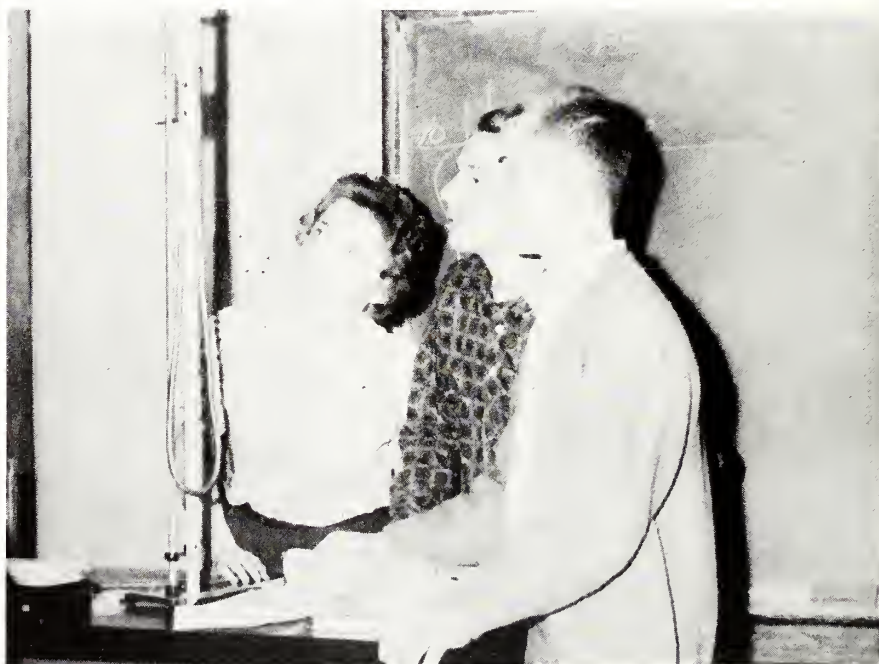

LOOK AT THIS — Biology student discovers facts and learns new things through use of microscope during class time.

RECEIVE BOOKS — Pupils in the math department distribute books to begin work for the year at Marion High School.

Math And Science Departments Offer Coverage

IS THIS RIGHT? — Chemistry students find experiments puzzling at times, but also find that they aid the study of the science.

Mathematics is important to everyone, and Marion High School has developed a program for training students in various branches of math. Courses are offered in such subjects as shop math, commercial arithmetic, and algebra. Students may also receive instruction in plane geometry, solid geometry, and trigonometry. This program helps develop students who can cope with the math problems of today and it also teaches students how to think more clearly about problems which arise.

Collecting leaves and wildflowers, studying the combination of elements, and experimenting with the diffraction of light are all connected with the science curricula at Marion High. Included are such classes as narcotics, psychology, electronics, physical science, academic and basic biology, chemistry, and physics.

In Many Fields Of Study

MOVE IT THIS WAY — Pupils demonstrate art of using the slide rule, a device familiar to all math students at Marion High.

ACCURATE WORK — A chemistry student carefully studies the art of balancing the scales.

Practical Arts Department Assists MHS Pupils

ENJOY REFRESHMENTS — Faculty members enjoy the annual tea given by the home economics students who serve as hostesses.

SPARKS FLY! — Students find welding an exciting and promising class for future professions.

LOOKS GOOD — Home economics student looks pleased at her achievement in homemaking.

In Preparing For Future Jobs And Homemaking

The practical arts department of Marion High School assists many students in preparing for future occupations and homemaking by its extensive coverage in these fields of study.

Drafting, electronics, printing, and many other subjects give assistance and background to students. Many students take part in on-the-job training which helps them to further their education in the specific field in which they are interested for the future.

Homemaking may be learned by Marion High girls through the various subjects available. The techniques of sewing and proper selection of materials are taught by clothing classes. Future homemakers learn the fundamentals of cooking, housekeeping, and the proper care of children through their studies.

NOT SO FAST — Shorthand students have difficulty learning to write correctly as fast as the teacher dictates to them.

PRINTING CLASS — An MHS student shows his skill in the use of the printing press.

SCULPTURES — This student is busily working on his sculpturing which is only one of the requirements of the MHS advanced art classes.

Decorated halls, music for the football and basketball games, and many of the outstanding musical convocations and programs can be attributed to the fine arts department of Marion High School. The extensive coverage in this department offers various opportunities to the Marion High student.

Many musical groups fill the halls throughout the day with their melodic sounds as they practice endless hours for performances. The band, dance band, orchestra, and advanced chorus have attained high ratings at competitive contests held throughout the state.

Ceramics, sculpturing, and painting and drawing are only a few of the courses offered to the Marion High art student in preparation of a career or as a pleasure. These students have participated in district and state contests and have won various honors for themselves and for their high school.

Music, Art Emphasize

MHS Grows

As It Offers Enjoyment and Work in

Activities

Activities at Marion High School have grown during the 1961-62 school year in many different ways. New social events have entered the halls as ideas have been developed and carried out. The homecoming, the Booster Club Premiere, and various other happenings have enhanced the year and have been a great success in the eyes of the school and community. Many hours and much hard work go into these activities, but in return they are thoroughly enjoyed by all who attend.

A variety of songs could be heard when passing the chorus room as the Advanced Chorus prepared for their many performances. The main activity of the year was the opera, *Amahl and the Night Visitors*.

Officers during this past year for the 59 chorus members were Joyce Fraker, president; Don Sutton, vice-president; Bonnie Dray, secretary; and Sandy Messer, treasurer. Bill Hornaday, Dick Hanning, and Beverly Johnson were librarians for the group.

The sounds of numerous instruments could be heard from the band as they practiced for their many concerts, marching shows, parades, basketball games, and pep sessions. The John Phillip Sousa Award, the Outstanding Senior Award, the Outstanding Junior Award, and the Outstanding Sophomore Award were given at a banquet in the spring.

The 74 members were led by Blanche Garner, president; Mike Jenkins, vice-president and drum major; Brenda Ellis, secretary, and Susan Stover, treasurer. Mr. George A. Thompson, director, and Mr. John Harris, assistant director, aided the officers and band members throughout the year.

Mr. Kenneth Frerichs taught many students the basic fundamentals of music as they learned to read and sing a variety of good choral music and correct vocal techniques. Harmonizing with others was enjoyed daily by the 69 class members.

The enjoyment of singing and learning more about the wonderful language of music was certainly a welcome part of the day's classes and activities for these students of the beginning chorus this year.

Singing at various civic clubs and at other Marion city schools this year were the Marion High School Senior Chords. This activity provides an opportunity for group singing and lighter entertainment.

Seniors who had two years of advanced chorus were eligible for membership in this group. The group met twice a month under the direction of Mr. Kenny Frerichs to plan their activities and practice on the numbers they performed for the public.

Marion Stage and Stammer Dramatists Present

One of the largest and perhaps one of the most active organizations at Marion High School is the Stage and Stammer Club. Under the direction of Mr. Harold Stuller, the dramatists helped to encourage and to promote the development of dramatics within the school.

Included in the busy schedule of the club this year were two full length plays, *Our Town* and *Teahouse of the August Moon*. They presented a one-act play, *Let's Make Up*, to the student body. Several members also participated in speech contests and planned programs for the various service clubs in the community and surrounding area.

Leading the activities of the Stage and Stammer Club this year were Steve Sharon, president; John Earnest, vice-president; Shirley Rice, secretary, and Roger O'Brien, treasurer.

By accumulating a certain number of points several members of the Stage and Stammer Club are chosen each year for membership in the National Thespian Dramatics Society, Troupe 2077. Officers of this year's organization were Claude Huffman, president; Vince Harrington, vice-president, and Davida Weiss, secretary-treasurer. To bring about a better understanding and closer cooperation between the student body, faculty, and community is the object of the Marion High School Student Council. Concentrated effort was spent in managing the PX, filling Christmas baskets for the Salvation Army, and co-sponsoring Marion's first Homecoming and the Marion Relays.

Leading the organization this year were Tom Coombs, president; Joanna Harris, vice-president; Becky Thomas, secretary, and Tom Browne, treasurer. The sponsors were Mr. John Stone and Mr. Earl Whitecotton.

Members of the Senate aided the officers in carrying out the many projects of the organization throughout the year.

PX REMODELED — Student Council officers, Becky Thomas, Tom Coombs, Joanna Harris, and Tom Browne invite MHS students to patronize the newly remodeled PX.

Marion High School club presidents met once a month during the school year to correlate the activities of the many MHS clubs.

The Inter-Club Council played a big part in planning Marion's first annual homecoming. The new 12-point system, limiting the number of clubs to which a student may belong, was also inaugurated by the council this year. The Marion Relays held on Saturday, April 14, was also an undertaking of this group.

Joanna Harris presided over the council and led its many discussions. She was assisted by Doug Joyce, vice-president, and Carole Brooks, secretary-treasurer. Assistance to the group was given by Mr. John Stone.

"Guten Morgen, wie geht es Ihnen?"

"Good morning, how are you?"

"Es geht mir gut, und Ihnen?"

"I am fine, and you?"

This is some of the conversation that might be heard at any meeting of the Marion High School German Club, Deutscher Verein. During the second semester members exchanged letters with natives of Germany to further their German background and presented gifts to underprivileged children.

The club strived to make practical use of the German language and to better appreciate

German culture and ideas. They sponsored a float for Marion High's first homecoming and had a record hop called Schallplattertanz as projects. At Christmas time they had a party and went caroling, singing in German. They enjoyed many parties, films and speakers throughout the year.

The 111 club members were led by their officers, Paula Bassett, president; William Hornaday, vice-president; Debbie Conner, secretary, and Sandy Messer, treasurer. Mr. Willard Batson, MHS German teacher, and Mrs. Elizabeth Nace assisted the group.

Cactus Staff Works Busily To Meet Deadlines

Planning pictures, taking and mounting them, writing copy, headlines, and captions, and selecting the design and color of the cover of the 1962 Cactus were just a few of the many things done by this year's Cactus staff. The finished book typifies the way in which they faced these throughout the year.

Joanna Harris, editor, and John Perin, assistant editor, went to the Indiana University High School Journalism Institute for two weeks during the summer to learn some of the many things you need to know in publishing a yearbook.

The Cactus staff sponsored a record hop in December to make money to help finance the book and also sold plastic covers.

EDITORS CONFER — Kathy Alderfer, assistant editor; Dave Ballard, editor-in-chief, and Mrs. Marilyn Walker, adviser, discuss layout problems for the next issue of the Survey.

Deadlines, galleys, and headlines. These were among the many things that the 15 members of the Survey staff had to keep in mind as they published the weekly paper. Special issues were the Christmas issue, the sectional issue and the senior issue.

David Ballard, editor, and Kathy Alderfer, managing editor, kept operations running smoothly throughout the year. David represented the Survey at the Journalism Institute held at Indiana University. While there he learned the responsibilities of being a school newspaper editor and gained ideas that would be useful to the other members of the Survey staff in carrying out their duties.

The staff was composed of juniors with above average grades. They were chosen from their applications by Mrs. Marilyn Walker.

Members of the Grant County Junior Historical Society must possess the qualities of leadership, initiative, willingness to work, and dependability when called upon to work.

One hundred and six members met twice each month to work on all of the projects that the club undertook throughout the year. An article about the work that the club did on the museum appeared in an Indianapolis paper during the past year.

Booster Club and Gi-Ettes Promote School Spirit

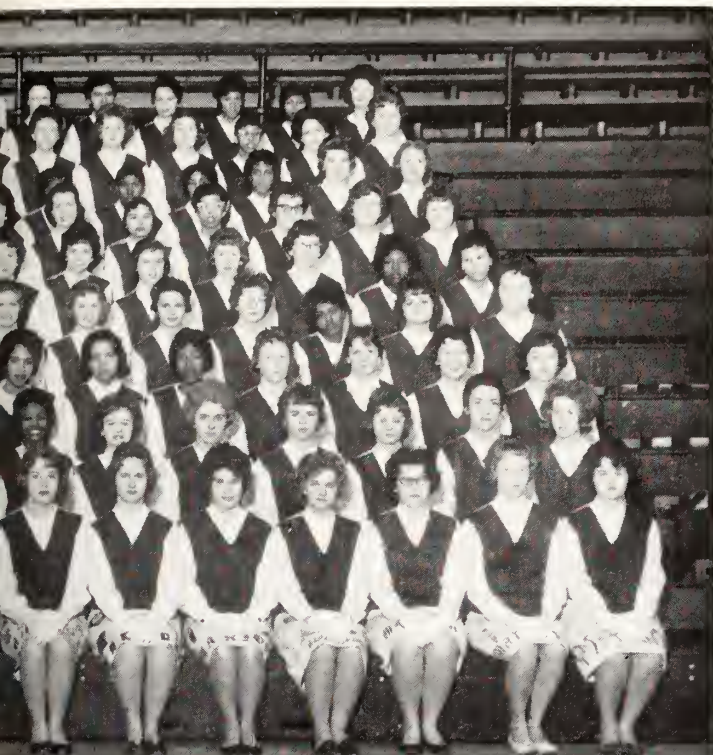

"Hey, Look Us Over, Lend Us Your Ear."

These were the words that the spectators heard as the members of the Marion High School Booster Club marched to their seats during basketball games throughout the year.

Keeping good school spirit and backing athletic events were the main purposes of the Booster Club as they performed enmasse at basketball and football games during the year.

The 250 members met each Thursday morning during the home room period to practice their yells. The club was led by Carole Brooks, president; Jo Bloom, vice-president; Marcia Godwin, secretary, and Shari Biscumb, treasurer. Miss Phyllis Wenger and Mrs. Annalee Cloud were the sponsors of the club.

A new drill team was formed which sat next to the Booster Club; they presented the colors before basketball games and gave performances at halftime.

MHS Grows

In Sportsmanship By Acting in Many

Sports

Sports add a great deal to the lives of the students and faculty at MHS. As pupils work long hours developing their bodies, they enter their respective sports with new hopes and ambitions of winning. They want to bring new honors and recognition to their school as they work their hardest in competition. Students not only learn the qualities of good sportsmanship and the consideration for others, but they grow in their knowledge of the importance of physical fitness today.

Giant Cheerleaders Boosted School Spirit at MHS

Loyal school spirit has always been a strong point of the students of Marion High School. This high spirit was especially evident at the Giant football and basketball games.

Four sprightly cheerleaders led the Marion Giant Booster Club as they cheered the Giants through victories and defeats throughout the year. This year's varsity cheerleaders consisted of Debbie Conner, Kay Hoffar, and Jean Bloom, seniors, and Susie Herrick, a junior. With their outstanding acrobatic moves and spirited yells these girls were a great help to the teams.

These girls were very busy this year as they led lively convos, decorated the halls with catchy slogans to spur the team on, and led the annual snake dance at sectional time. Regardless of whether the team won or lost, these girls were behind the boys all the way.

Marion's Little Giants were cheered to victories by three talented sophomore girls, Joyce Haines, Diane Edington, and Berniece Detamore.

Serving as advisor to this year's cheerleaders was Miss Phyllis Wenger, who also had charge of the Gi-Ettes.

VARSITY CHEERLEADERS — Susie Herrick, Kay Hoffar, Debbie Conner, and Jean Bloom backed the Giants enthusiastically throughout the football and basketball seasons this year.

WE DID IT — Jubilation breaks out in the Giant cheering block as the Giants come from behind to score a victory.

B-TEAM CHEERLEADERS — Diane Edington, Joyce Haines, and Berniece Detamore cheered the Little Giants to many victories in their first year of high school.

Giant Footballers Were Hampered by Injuries,

The Marion Giants, in a rebuilding year, compiled an overall season record of no victories and ten defeats. The Giants actually finished 2-7-1 but had to forfeit three games for using an overage player. The Giants were coached by Mr. Wave Myers in his second year as head coach at MHS.

A tough schedule and costly injuries to key players handicapped the Giants considerably. The Giants were dealt a severe blow early in the season when they lost their veteran quarterback, Dave Joyce, by way of a knee injury. Dave saw action in just three games all season.

Many times during the year Coach Myers started a lineup of sophomores and juniors, giving them experience for next year. There were only nine seniors on the Giant squad, so the Giants should rebound strongly from this season and have a stronger team next year.

And Were Unable To Retain Conference Title

The Giants averaged 239 yards from scrimmage for the 1961 campaign. The team averaged 68.7 yards passing and 170.3 yards rushing. This season's total showed 1,703 yards rushing, and 687 yards came by passing.

Sophomore fullback Jim Hornaday was the workhorse of the Giant ball carriers with 625 yards in 107 carries for an average gain of 5.8 yards. Other top rushers for the Giants included Leroy Wimsatt, Gary Koldyke, John Sanders, Mike Cravens, and Myron Betts.

The quarterback job was handled by Jeff Henry, Mike Henry, and Dave Joyce, before his injury. Jeff completed 24 of 63 passes for 404 yards and one touchdown. Dave hit on 13 of 32 for 240 yards and one touchdown. Mike attempted 15 passes and completed four for 43 yards. The total for the year showed 41 completions out of 110 attempts.

Doug Joyce was the leading pass receiver for the Giants. Doug caught 10 passes for 193 yards and one touchdown. Ranking close behind Joyce were Mike Cravens, Vern Owensby, and Jim Hornaday.

The leading scorer for the Giants was Jim Hornaday, who crossed the goal line nine times for 54 points.

"I'M TRAPPED" — could be the thought of this Elwood halfback as he finds himself surrounded by an inspired group of Giant tacklers.

John Sanders was runner-up to Hornaday with 31 points during the season.

Handling the punting chores for the year were Pete Publow and Mike Cravens. Publow punted 15 times for 450 yards for an average kick of 30 yards. Cravens kicked eight times for 222 yards for an average of 27.8 yards. The total for the year showed 23 punts for 672 yards for a punt average of 29.2 yards.

TOP FOUR — Assistant coaches Wally Yeoman, Harold Raether, Clem Woltman, and head coach Wave Myers talk about the coming conference game against the Wildcats of arch rival Kokomo.

HOPE FADES — after another hard fought battle as indicated by George Phillips' expression.

Despite the poor season that the Giants had the Marion fans remained loyal throughout the campaign. Game attendance was exceptional for football at Marion with record crowds turning out to watch the Giants play.

Marion's cheerleaders kept up the football spirit with spirited pep rallies and yell leading at the games. The highlight of the year came at the homecoming game on Sept. 23.

For the many football fans at MHS the gridiron campaign opens in September. The football candidates find that the season starts for them in August, and only hard work makes a winning team.

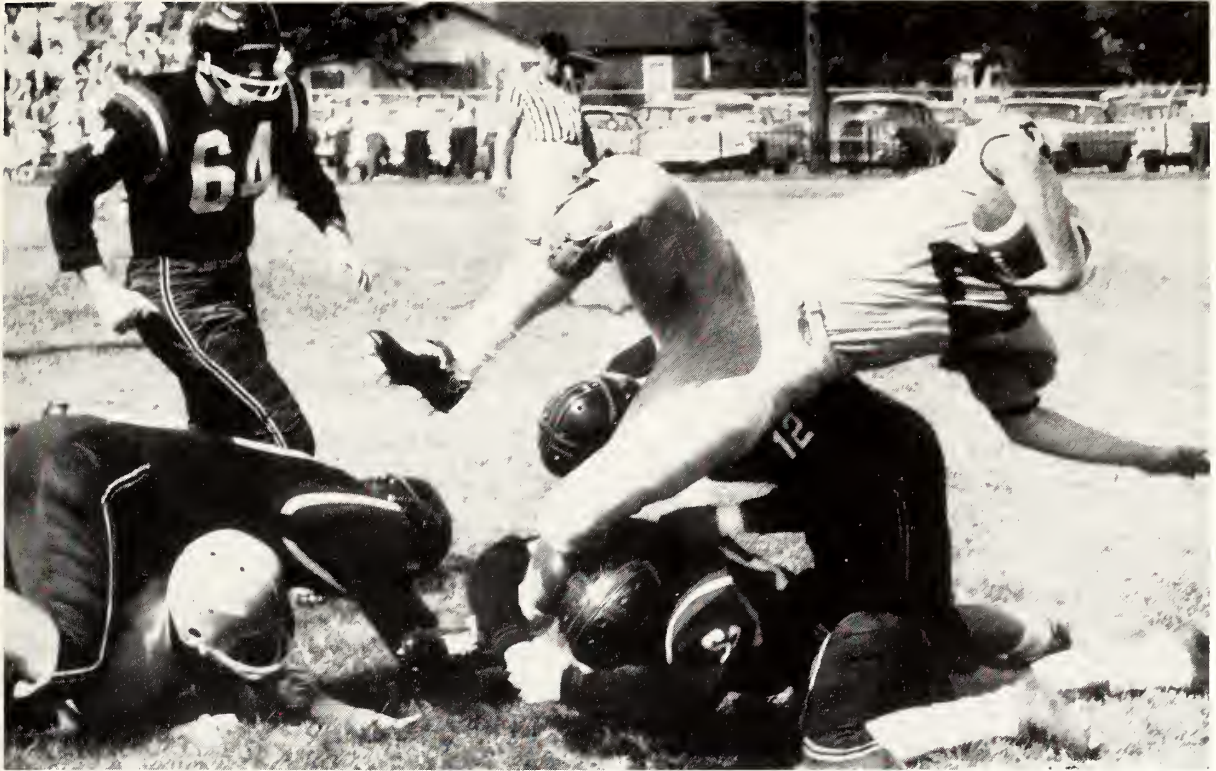

Coach Myers carried more sophomores on this year's varsity team than perhaps ever before in MHS football history. It is a great challenge to a boy to jump from the B-team to the varsity team, but Marion's boys came through admirably under increased pressure.

Coach Myers is to be commended for another fine job of coaching. Serving as assistants to Coach Myers were Mr. Harold Raether, Mr. Clem Woltman, Mr. Wally Yeoman, and Mr. Robert Downing.

A rebuilding year is a true test of a school's spirit. When a coach rebuilds a team he plans for the future and hopes that the fans will stick with the squad during the season.

"GO GIANTS" — yell loyal fans as the team provides excitement by rambling on offense and combining defensive forces to stop their opponents on many different occasions.

"OH MY LEG" — yells Marion quarterback Dave Joyce after suffering an injury sidelining him for the remainder of the season in this play against Logansport.

The 1961 football season saw Marion High's first annual Homecoming game. Pregame festivities aroused much spirit in the fans, but the Logansport Berries were not willing to cooperate with the Giants and went on to hand them their second defeat of the season.

Sophomore Jeff Henry guided the team most of the way after veteran quarterback Dave Joyce was injured early in the game. Marion scored first on a pass from Henry to Gary Koldyke, but from there Logansport controlled the game most of the time.

With the Berries ahead 13-7 in the last quarter hope was aroused in the Marion fans when the Giants stopped a Logansport drive on their own two-yard line. Marion could not get their offense moving, however, and lost the ball on downs still deep in their own territory. This set up Logansport's last touchdown, and the final gun went off with Logansport's winning by a score of 20-7.

"HERE'S THE PLAY" — says Coach Myers as he outlines plays for the coming game with his six returning lettermen.

Three Giants were able to win honors in the balloting for the all-conference team of the NCC. Andy Alvarez, Marion's big 275 pound tackle, was named to the third team. Two other players were given honorable mention. The latter two were LeRoy Dunn and Dave Joyce. Joyce managed to earn this honor even though he was able to play in only two full games and part of another. In the opening minutes of the game against Logansport he suffered a knee injury which put him out of action for the seven games remaining in his last year of high school football.

Although there were no underclassmen named to the team from Marion they did play an important role this year. They will help to make the Giants a formidable opponent for any team in the seasons that lie ahead of them. Among these is sophomore fullback Jim Hornaday, who led the Giants in both scoring and ground gaining this season. In the pass receiving department, three of the top four men will return to action next year. They are Mike Cravens, Arvern Owensby, and Jim Hornaday. The Henry brothers, Jeff and Mike, will give the Giants experience in the quarterbacking department. These and other players should help to return Marion to days of football glory in the years that lie ahead.

WHO'S GOT IT? — Sophomore Mike Cravens stays with a gridiron opponent in an effort to break up a pass play that could go for extra yardage and maybe even the winning touchdown.

PRACTICE MAKES PERFECT — Dave Joyce practices a handoff to Gary Koldyke as the Giants drill for another rugged conference game.

Reserve Pigskinners Ended Successful Season

Marion's Little Giants finished their 1961 football season with an impressive record of six victories against only two setbacks. After dropping two of their first three games, one to Richmond and the other to Kokomo, the sophomore team won all of their remaining five gridiron encounters.

Under the careful guidance of coach Clem Woltman the Little Giants downed many strong foes. The young pigskinners managed to avenge one of their earlier defeats when they collided with Kokomo for a second time. Marion won this game by a score of 13-7, after Kokomo won the first, 12-7. The "B" team was successful against future NCC opponents, ending the season with a record of three victories and two defeats, their only losses of the year.

Many players contributed to make this one of the best seasons that the reserve team has had in recent years. These performers gained both skill and experience.

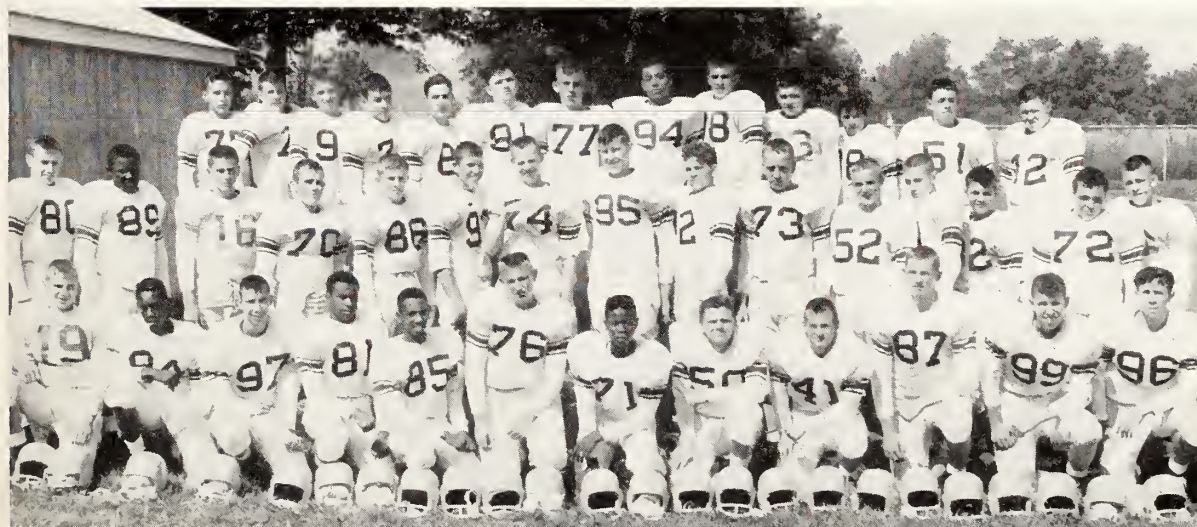

These two things help to make a winning team. Along with the returning members of this year's varsity football squad, the boys who played for the Little Giants promise to give Marion fans much excitement and success in the years that lie ahead at Marion High School. They will give the varsity the depth and the experience needed to produce winning teams in future seasons.

Giants Displayed Fighting Spirit, Exciting Action

The Marion basketball team, under the guidance of new head coach John Givens and his assistant, Jack Colescott, fought overpowering odds in a season of rebuilding. The young squad, which had only two senior members at the close of the campaign, faced such highly rated opponents as Kokomo, Lafayette, Elkhart, and South Bend Central. Against a rugged schedule the hardwood quintet managed only two victories while losing eighteen games before the sectional.

Mr. Givens came to Marion this year from New Albany where he had a very successful stay as a coach. Mr. Colescott formerly guided basketball teams at Swayzee and Martin Boots Junior High. This year he guided the Little Giants to a record of eight wins and twelve losses. Marion fans never failed to cheer these two men on, even though their records this year were not the best they have had.

The Giants started on the road to a good season with impressive victories over Rochester and Hartford City in two of their first three contests. Following this, however, they ran into a bad slump that could not be broken. The team was unable to get a sustained drive going and lost all of their last seventeen games.

In the sectionals the Marion squad came on with such spirit and determination that they went all the way to the final game before losing to the Oak Hill Golden Eagles in the final minutes. In their debut against the Jefferson Yeomen, Givens' squad pulled away in the last half of a hard-fought battle, eventually winning by a sizable margin. In the semifinals they faced the Van Buren Aces and topped them by a score of 76 to 64.

This semi-final victory earned them the right to meet Oak Hill for the championship. The latter team earned this opportunity by defeating such highly rated foes as Mississinewa and Grant County Tourney champ, Bennett. Two victories in a row revived visions in many loyal fans of another trip to the Regionals. The final game was close all the way and for a while it looked as if the dreams of Marion backers might come true. But Oak Hill's Eagles pulled away in the closing minutes and went on to win the exciting contest by a slim margin of three points, 80 to 77.

NICE PLAY — Marion's Vern Owensby is all alone as he goes up for an easy shot and two more points.

'B' Team Finished Campaign with Eight Wins

Marion's Little Giants, under the watchful eye of Coach Jack Colescott, came on strong at the end of the year to finish with eight victories and twelve defeats. Probably the team's top game of the year came against a very good Kokomo team. The final score was 36-35, with the Marion cagers on top at the gun.

The Little Giants ripped the nets for 833 points in their 20 games for an average game total of 41.2 points. Bill Osborne and Jeff Henry, two sophomore guards, led the team in scoring with respective averages of 9.4 and 8.3. The leading rebounder on the team was Marshall Stewart who fought the boards for 121 rebounds. The top free throw shooter on the team was Bill Osborne. Bill hit 42 of 53 charity tosses for an outstanding .792 percentage. As a team the Little Giants hit 199 of 363 free throws for a .548 shooting percentage from the foul line.

Two boys on the B-team, Mike Kirby and Harold Curdy, were taken off the reserve team and promoted to the varsity in the middle of the year. This move, while helping the varsity, was a damaging blow to the Little Giants, who had gotten off to a fast start by winning their first three games of the season before tasting defeat in their fourth game.

For the first time since World War II, a freshman, Harold Curdy, was promoted to the Giant varsity. A move like this would only be made with a boy of exceptional ability, and the coaches felt that Curdy had that ability. Curdy did not disappoint the coaches as he came through with a fine performance and showed a good quality of sportsmanship. Three other freshmen were moved up to the B-team at the close of the campaign. These three figured in several of the Little Giants victories in the latter part of the season.

"B" TEAM BASKETBALL — *Kneeling:* Coaches Jack Colescott, and John Givens. *Standing:* Paul Neal, Jeff Henry, Bill Osborne, Mike Cravens,

Mickey Alexander, Delbert Rife, Marshall Stewart, Terry Hill, Marlin Shafer, Jerry McFarland, and Chuck Evans.

"WHERE'S THE BALL — ask some Giants as they await a rebound in a conference clash against the Richmond Red Devils.

"GO MARION" — yell the fans as Bob Short drives past members of the other team and scores.

"GIVE IT HERE" — says Mike Kirby of Marion as an opponent comes off with the rebound in a hard fought battle.

JUMP SHOT — Charlie Piper leaps high as he fires the pigskin toward the basket for the Giants.

Despite the 4-19 record the Giants had, the team gave the fans thrilling action while playing some of the best teams in the state of Indiana. The Giants battled such strong teams as Elkhart, Fort Wayne Central, and Muncie Central down to the final gun, only to suffer heartbreaking defeats. The Giants were definitely an improved ball club by the end of the year as proven by their strong showing in the sectional tournament games.

Although Marion didn't win a good share of its games this season, it made progress toward the future. Coach Givens often went with a starting lineup of all juniors and sophomores as he devoted the year to a rebuilding program. Only two of the twelve boys certified for tourney action were seniors, so the Giants should definitely have better basketball teams in the future at MHS.

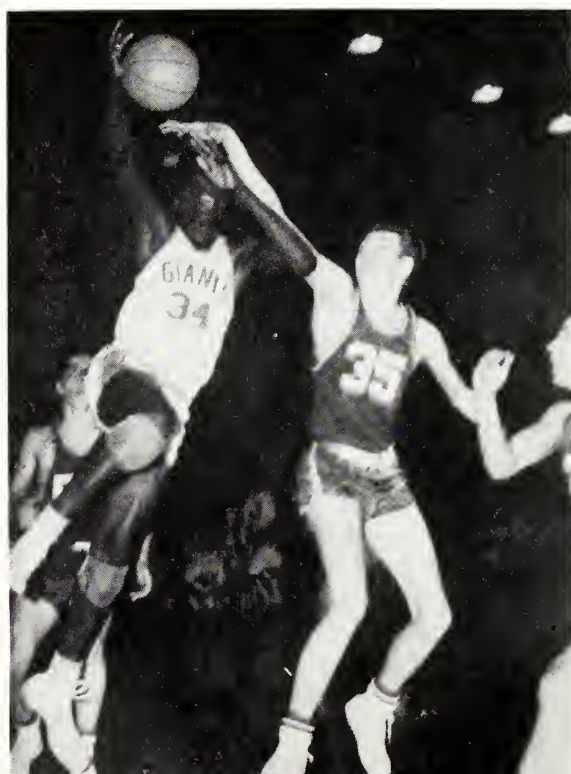

Bad Slump Was Ended

The Giants hit 485 of 1575 shots from the field for an average shooting percentage of .308. From the free throw line, the Giants centered 226 of 427 charity tosses for a .529 mark. The Giants scored a total of 1,196 points for the year to finish with an average total of 59.8 points a game.

The top scorer for the Giants was Bob Short, junior guard, who pumped in 234 points in 29 games for an average of 11.7 points a game. Other top scorers for the Giants included Vern Owensby, 198, J. C. Broomfield, 172, and Charlie Piper, 164 points. Owensby was the workhorse on rebounds for the Giants by grabbing 222 rebounds for an average of 11.1 grabs per game. Willie Keys was runner-up to Owensby in rebounding with 127 rebounds. Although the Giants' free throw shooting was a little below average, Bob Short proved to be a real dead eye from the charity stripe by hitting 56 of 72 attempts for a highly respectable .778 shooting percentage.

For Steve Decker and J. C. Broomfield, this was their final year in high school basketball. Both of these boys did an outstanding job for Marion on the basketball court.

TWO POINTS — for Willie Keys as he makes a lay up in Giants' Sectional opener against Jefferson, in which Marion broke a long losing string.

GOOD SHOT — Mike Kirby gets off a jump shot for two points in the game between Marion and Jefferson's Yeomen.

MAD SCRAMBLE — Mike Henry and a Van Buren cager scramble for a loose ball.

INTRAMURAL LEAGUE CHAMPS — *Kneeling:* Ed Bolander, John Ayres, Gayle Faunce. *Standing:* Lloyd Bailey, John Johnston, Jim Tidwell, Gary Baxter.

Intramural League Provided Fun and Recreation

A newly organized team, the KC's, won all six of their scheduled games to wrap up the 1962 Marion High School intramural championship. Four teams, the Rams, Browns, Blues, and Braves, finished in a tie for second by compiling 4-2 records.

Rounding out the intramural league were the Indians, Yanks, and Dodgers with 3-3 records, the Bears and Lions with 2-4 records, the Whites with a 1-5 record, and the Colts who failed to score a victory in six contests. This twelve team league represented one of the largest leagues in recent years at Marion High School.

Members of the champion KC's were Gayle Faunce, John Ayres, Ed Bolander, John Johnston, Jim Tidwell, Gary Baxter, and Lloyd Bailey. Baxter led the team in scoring.

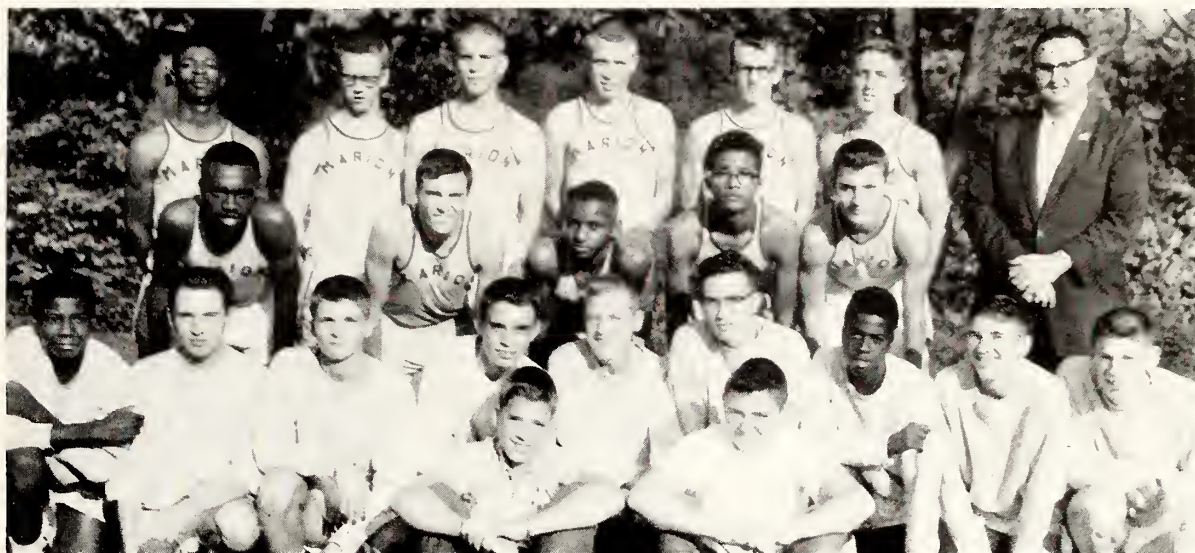

All of the games in the intramural league were played at Memorial Coliseum. Games were played crosscourt on the side goals, so that two games could be played at once. There were four games played each night with games beginning at 6:30 and 7:30. The majority of the games were played on Monday night. Each team was responsible for refereeing a game when they were not playing.

The intramural league could not function without the work of Mr. James Butler, the sponsor of the league. He supervised all of the league's functions and was responsible for the statistics and the scheduling of the games.

SUPERVISOR — Mr. James Butler again supervised play in the intramural league. He also kept the statistics and scheduled the games.

Marion Harriers Won Several of Their Meets

The Marion Giant cross country team under the watchful eye of Coach Don Page completed another successful season winning 9 of 12 meets and placing fourth in the sectional meet and fifth in the North Central Conference meet.

The Giant harriers began the season in fine fashion by downing the Bennett Trojans 21-40. Facing top teams the Giants lost two consecutive meets to Fort Wayne Central, 36-19, and

Anderson, 43-15. The Giants then caught fire and reeled off six wins in a row by downing Kokomo, 26-21, Madison Heights, 23-32, Bluffton, 15-50, Logansport, 25-34, Fort Wayne South, 24-32, and Portland, 15-48. The Giants' third and final defeat came at the hands of Muncie Central, 42-20. The Giants then had two triangular meets defeating Huntington and Bluffton, 20-51-71 and topping New Castle and Yorktown, 29-35-57.

"ON YOUR MARK" — says Coach Don Page as he sends his harriers on a practice run in preparation for a coming meet.

Under the guidance of Head Coach Harold Raether and Assistant Coach Bob Downing, the Marion wrestling team finished the season with a record of four wins, nine losses, and one tie. The matmen earned their first victory against Madison Heights of Anderson, defeating them by a score of 29 to 23. After losing their next two matches by sizable margins to strong teams from Kokomo and Anderson, the Giants came back to down Frankfort's team by a 48 to 5 count.

The squad was beaten by New Castle in a fairly close contest, but in the next one they rolled over Peru, the final score being 46 to 6. The two closest matches of the year came against Culver and New Haven. The first ended with the score tied at 33 to 33; while the second was won by the opponents, 22 to 20.

The Giants had a well balanced team this year employing boys from all four classes. They were led by Terry Boatwright, who compiled more points than any other team member, and David Chandler, the mental attitude award winner.

"I'VE GOT HIM" — Could be the thought of Giant grappler Terry Boatwright as he clamps a headlock on his opponent.

The Marion baseball team under the guidance of Coach Art Caldwell, who succeeded Ralph Ferguson, opened their season on a happy note by thumping Bennett, 23-1, for one of the most lopsided victories that the Giants have ever recorded against a foe.

The Giants also got off to a fine start in the North Central Conference race by shading the New Castle Trojans 3-2.

The Giants biggest obstacle to a successful season was their lack of experienced pitchers. Ed Bolander was the only hold-over from last year's pitching staff. The infield and outfield positions were anchored by six returning senior lettermen.

The Giants expected their most difficulty against conference opposition. The Giants faced such perennial powers as Muncie Central, Anderson, Richmond, Indianapolis Technical, Kokomo, Frankfort, and Lafayette.

Assisting Coach Caldwell with the B-team were Coach John Givens and Coach Jack Colescott. This was also their initial campaigns as baseball coaches.

Giants Won Fifth Consecutive Marion Relays

MARION RELAYS — were reigned over by Queen Sandy Ayres and her attendants, Carolyn Bryant and Jane Edgerton. High jumper Marshall Stewart helped lead the Giants to victory over eight other teams.

Marion's Track team got off to a slow start in their first meet of the season against Oak Hill, losing 58½ to 50½. The Giants came back to win their next dual meet against Anderson Madison Heights. They lost in the next outing to a highly rated opponent from Kokomo. In the last two meets remaining before the Marion Relays the cindermen rolled over Logansport 73 to 36, while losing to another strong foe, the Muncie Central Bearcats.

In the Relays the Marion squad, coached by Wave Myers, ran away from all other entries. The Giants compiled a total of 46⅛ points, and their closest competitor was Madison Heights with 29⅛ points. This made the fifth consecutive year that Marion has won the Relays.

Pete Publow was one of the most valuable members of the team, competing in the 440 yard dash. Together with other standouts, such as Ron Leisure, J. C. Broomfield, and John Sanders, the Giants faced strong teams from Anderson, Fort Wayne Central, Huntington, and New Castle in the remaining contests of the 1962 campaign.

The Marion Giant golfers eagerly looked forward to their opening meet, as they had the nucleus of a powerful team. Clem Woltman, who started his third campaign as head coach, was blessed with four returning lettermen. Those lettermen included Bob Babcock, Tom Browne, Richard Conroy, and Phil Jackson.

The home course for the Giants was again Meshingomesia Country Club.

The Giants opened their season very successfully by trouncing city rival Bennett by a score of 10-0. The Giants followed up this win in similar fashion as they downed Anderson Highland, 11½-3½. The Giants rounded out their schedule against such strong teams as Muncie Central, Peru, New Castle, Kokomo, Anderson, Huntington, and Fort Wayne South. The Giants also competed in the NCC meet.

Practice Helped Racketmen Prepare for Opener

The Marion tennis squad, under the guidance of Coach Jules Walker, started practice early in preparation for their first start of the season. This proved to be helpful as they defeated Fort Wayne South Side in the first match of a long schedule. During the rest of the year they faced such teams as Bluffton, Anderson, and Kokomo.

While facing all of the nine other members of NCC, seniors Bill Weber and Steve Young ranked numbers one and two respectively on a team which was rounded out by all juniors and sophomores. Weber and Young also combined to form one of the doubles teams on a squad which promised good results both in this season and the ones to come.

THIRTY ALL — could be the score as the tough doubles team composed of Steve Young and Bill Weber battle two other strong opponents on the tennis court.

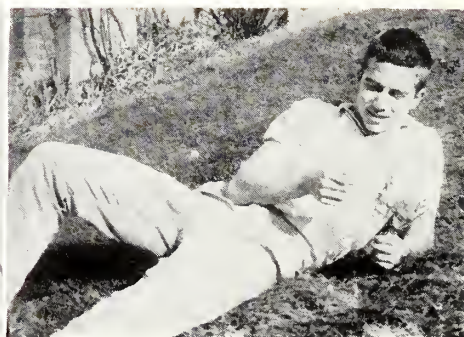

MHS Grows

By Showing an Active Interest in Its

People

Relations between students and faculty at Marion High grow during the school year. New friendships are formed during high school days, and often they are extended into adult life. Problems which teenagers face are openly discussed with their friends, and solutions are often derived and followed. Feelings of pleasure, hope, disappointment, happiness, sorrow, and love are all a part of our growing into young adults — young adults ready to face a future which is ours to make.

Class Sponsors Prepared Seniors for Graduation,

SENIOR OFFICERS — Doug Joyce, president; Dave Joyce, vice-president; Cheryl Pierce, secretary, and John Earnest, treasurer, work together in planning for the senior graduation of 1962. Throughout the year they also planned various activities for the senior class.

Entering the halls of MHS as sophomores came the seniors of today. During their first year these students soon became accustomed to their new surroundings and were organized under the leadership of Ronald Leisure, who served as class president.

Returning in the fall of 1961 these students elected Richard Bagwell to head the junior class. One of their main accomplishments during the year was the presentation of the junior-senior prom in May, with the theme of "Heavenly Mist."

Anticipating the many activities of their senior year they eagerly began their final plans for graduation. Doug Joyce was chosen to lead the class of '62, senior committees were selected, and the days quickly flew by as work progressed.

SENIOR SPONSORS — Working with the senior class and helping with plans for graduation are Mr. E. Dale Prout and Miss Mary Daniels.

HOORAY! IT'S SPRING AT LAST — MHS seniors get in the swing of spring as they take time out from studies to enjoy a carefree ride.

Committees Spent Long Hours for Preparations

BACCALAUREATE COMMITTEE — *Bottom Row: G. Macaluso, J. Harris, B. Garner. Top Row: D. Hanning, D. Bagwell.*

SERVICE COMMITTEE — *Bottom Row: S. Denison, E. Horst. Top Row: R. Cornell, S. Sharon, J. McNally.*

The senior committees worked hard and long to make the '62 year a great success for the entire class. Under the direction of senior sponsors, Mr. Dale Prout and Miss Mary Daniels, the committees began to prepare for graduation in June.

The name card and invitation committee went into full swing as they assisted the seniors in selecting their name cards, but the committee itself chose the uniform invitations. The financial matters of the seniors was the duty of the service committee. They carried the chief responsibility of deciding the gift left to the school by the '62 class. The social committee was in charge of all the social events of the seniors during their last year at Marion High.

As the final day drew near the baccalaureate and commencement committees planned their graduation exercises.

SOCIAL COMMITTEE — *Bottom Row: N. Warren, D. Conner. Top Row: R. O'Brien, T. Browne, R. Leisure.*

Of Various Activities and Graduation Exercises

As the years swiftly passed the once bewildered sophomores found themselves as busy seniors at Marion High. Donned in the traditional senior cords, they began to acquaint themselves with the usual senior activities at MHS. Although the 1962 year was jammed with studies and many enjoyable activities, the seniors always found time for recreation as well as for their studies.

Preparations for graduation began as the seniors ordered senior pictures, invitations, and were measured for caps and gowns. Along with the familiar custom of exchanging pictures, the seniors exchanged name cards.

Proud of the accomplishments they had made during the past years at MHS, the seniors worked hard to make their last year a success. As the 1962 year drew to an end the graduates planned for their future.

SURVEY SENIOR CORDS — Juniors, Shari Skouden and Gary Oradat, express their views toward the senior cords worn by Jack McNally and Terry Porter.

COMMENCEMENT COMMITTEE — *Clockwise:* T. Porter, B. Hornaday, J. Long, L. Tade, C. Brooks, T. Coombs, S. Stackhouse, S. Motsch, S. Fields, A. Whitcraft, S. Stover.

The Junior Class, Officers and Sponsors Began

JUNIOR CLASS SPONSORS — Miss Liberty Chochos and Mr. Alfred Thurman plan ways of aiding the junior class.

When this year's junior class undertook their work it was with a new zest, dedication, and a new sense of pride. As next year's seniors they not only looked forward to the thrill of becoming a senior, but also to the fact that they would be the first class to graduate from the new Marion High School building. The more than 400 juniors will be leaving the halls of old MHS.

Members of this class have worked hard on their activities as well as their daily lessons. They have had two record hops, and, of course, the Junior-Senior Prom, to mention just a few of their activities. They have prepared themselves well for next year and also for the years which will follow.

Of course a great deal of the praise must go to the capable, understanding class sponsors, Miss Liberty Chochos and Mr. Alfred Thurman. They have worked hard with the newly elected officers and have continued throughout the year to give aid to all of the array of junior class undertakings.

JUNIOR CLASS OFFICERS — Working on plans for the Junior-Senior Prom and the many other activities which were sponsored by the junior class are Larry Pressler, president; Jackie Atkins, secretary; Janet Modlin, treasurer, and Bob Cooley, vice-president.

As School Began, Sophomores Were Strangers

SPONSORS — Mrs. Velma Frame and Mr. Russell Miller check over the students' schedules.

A bewildered class of sophomores entered the halls of Marion High School last fall with high hopes and great expectations of their next three wonderful years at Marion High School.

Everyone was confused the first few weeks as they searched frantically for various rooms and tried to find their way around such a "big place." Soon, however, they became familiar with the many studies and activities of Marion High School.

Under the helpful guidance and direction of Mrs. Velma Frame and Mr. Russell Miller, sponsors, and with the energy of their officers, they staged a record hop on May 11, as their only money-making project of the year. This, they discovered, was quite a successful and profitable undertaking.

The sophomore class experienced a very dynamic year as they undertook their first major step in their formal high school training.

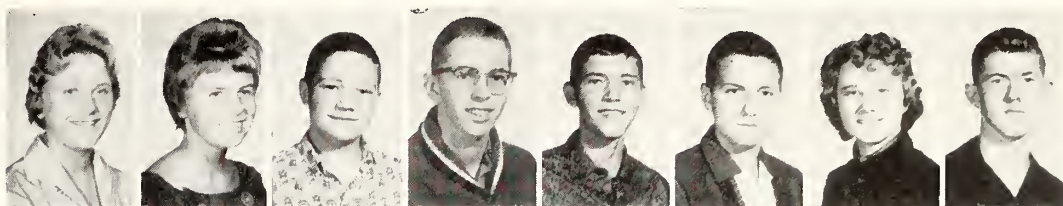

OFFICERS — Adrian Messer, treasurer; David Bolander, vice president; Katie Newcomer, secretary, and Jeff Henry, president, work on plans for activities.

MHS Grows

In Relations With the Community by

Advertising

Advertising has assisted Marion High School in growing in its relations with the community by various activities. Co-operation between the school and the businessmen has been proved by many events in which they have worked together throughout the year. Assistance has been given freely by each, and in return they have learned the importance of good business-school relationship. Through advertising MHS has been drawn closer to the community in its projects and activities.
